COWORKING

JANUARY 2024

»»»» A RIPPLE COWORKING COMMUNITY UPDATE

WELCOME TO THE FIRST EDITION OF THE RIPPLE EFFECT!

Happy New Year! This year, we're kicking off a monthly quick-read publication, *The Ripple Effect*, that will share all our successes and wins. We hope it will bring you one step closer to your coworking colleagues! Stay tuned for select interviews, the latest local happenings, the hottest local lunch spots, biggest industry news, and more!

If there is anything you'd like to see in an upcoming publications, please email suggestions to hello@ripplecoworking.com.

BIG WINS FOR THE KIDS

Last month, Ripple Coworking member and attorney, Lisa Elliot, together with her colleagues at Justice For Kids (a division of Kelley Kronenberg), won two jury verdicts totaling **\$28 million** that are among the largest in Florida history. Lisa and her firm represent "at risk" children who've had their lives permanently altered by a failure of the systems designed to protect them. Lisa's firm hopes that these jury awards will ensure that their child clients and their families will get the care, dignity and resources that they deserve for the rest of their lives.

Congratulations to Lisa and Justice for Kids on the great work!

Jacksonville Jury Awards \$13.5 Million in Negligent Adoption Case

Jacksonville, FL – The adoptive parents of a young boy with special needs have been awarded \$13.5 million in damages

NEWS

Volusia County jury: DCF liable for \$15M for negligence in child abuse case

»»»» RIPPLE HOSTS ITS FIRST REFERRAL-BASED NETWORKING GROUP

Last month, Ripple hosted the first ever BNI-style lunch meeting that was attended by a group of ambitious and enthusiastic professionals. A Referral-Based Networking Group is a great tool for professionals to come together and exchange referral sources, ideas, support, and experience; this group aims to be no different. After just one meeting, connections have been made, deals have been struck, and the value of this type of networking group is clear. The Referral Based Networking Group is a free benefit for members, and will meet every ten weeks. Office rental and virtual office members are all welcome. Groups will be limited to 20 people. Take advantage of this effective tool to grow your business and join us at the next meeting! Check with reception for more information or to reserve a spot!

PRODUCTIVITY QUOTE OF THE MONTH »»»»

The information you consume each day is the soil from which your future thoughts are grown.

--James Clear
